**3415 Hatchery Drive, Junction City KS 66441**

**Discovery Boxes**

Numerous kits are available for educators to check out for use in the classroom. The boxes contain a variety of hands-on materials, activities, and resource materials. Materials must be checked out and returned to the Nature Center. We do not ship boxes to schools.

Titles include:

Insects

Kansas Symbols

Trees and Plants

Wetlands

Kansas Skins and Skulls

This box includes skins of common mammals in Kansas such as coyote, bobcat, striped skunk, red fox, racoon, opossum, and beaver. The kit also includes skulls of the beaver, coyote, and racoon. Additional skins and skulls may be requested.
